INTRODUCTION

NPC-TO-UAM STUDENT GUIDE

This guide is for students who are pursuing the Start Here/Finish Here degree, NPC Associate degree to UAM Bachelor's degree, *and* who are enrolled in UAM upper-level courses at NPC in Fall 2023 and/or Spring 2024.

STUDENT ENROLLMENT STATUS

The NPC-UAM partnership includes standard and dual enrollment:

- Standard enrolled students are those who complete the NPC Associate degree before enrolling in UAM upper-level courses.
- Dual enrolled (AKA Consortium) students are those who enroll in UAM upper-level courses before completing the NPC Associate degree.

DUAL ENROLLMENT CRITERIA

Students are eligible for dual enrollment in Fall 2023 and/or Spring 2024 if they meet the criteria listed under the Dual Enrollment Criteria by Program on page 13.

Dual enrolled students receiving financial aid must participate in the NPC-UAM Consortium Agreement. The Consortium Agreement will be given to you by the appropriate NPC Dean after you have been admitted to UAM and are enrolled in classes.

UAM STUDENT HANDBOOK

As a student enrolled in UAM courses at NPC, you are subject to the content of the [UAM Student Handbook](#). References to specific UAM handbook sections are included in this guide, but you are responsible for becoming familiar with all its content. You should pay close attention to the section of the UAM Student Handbook that addresses conduct.

NPC STUDENT HANDBOOK

Dual enrolled students are also subject to the content of the [NPC Student Handbook](#).

IMPORTANT CONTACTS

NPC and UAM contacts for each area included in this guide are listed on page 14.

ACADEMICS

ACADEMIC CALENDAR

The NPC-UAM academic calendar for Fall 2023 is shown on page 17. The dates shown reflect important deadlines and holidays from the [UAM Academic Calendar](#) and [NPC Academic Calendar](#). The Spring 2024 academic calendar will be provided in November.

ACADEMIC MISCONDUCT

Cheating, which includes plagiarism, is a serious academic violation and involves a student obtaining a test, essay, research paper, presentation, project, quiz, or other course assignment or requirement with the intention of presenting it to the course instructor as one's own work. Plagiarism is any instance in which a student uses the words and/or the ideas of another without proper documentation of the source for those words and/or ideas.

REFERENCE: ACADEMIC CONDUCT CODE VIOLATION, UAM STUDENT HANDBOOK, PAGE 14

ADVISING

Academic advising questions should be directed to the appropriate NPC Dean or program advisor. Contact information can be found on page 14.

DISABILITY SERVICES

Dual and standard students with identified disabilities are eligible for Student Special Services accommodations to ensure accessibility and usability of all programs. Documentation must be provided before services can be determined. Contact information can be found on page 14.

DROPPING A CLASS

*Before dropping a class, you are encouraged to visit with the appropriate NPC Dean. Contact information for the dean is shown in *Dropping a Class* on page 14.*

You may drop classes as follows:

- Submit a "[Drop Form](#)" located under "Important Forms" on the UAM Registrar's Office webpage.

There is a \$10 add/drop fee per form processed. Failure to properly drop a course may result in an F that is computed in the UAM GPA.

GRADE APPEAL

If you question the fairness or accuracy of a grade, there is recourse through a student grade appeal structure. Disagreements shall be heard that allege the instructor's policy was not applied consistently to all students, differed substantially from the announced policy, or that a policy was not announced. All grievances concerning course grades must be filed within 120 days of the end of the term in which the grade that is being appealed was assigned.

REFERENCE: APPEALS OF COURSE GRADE, UAM STUDENT HANDBOOK, PAGE 11

REGISTRATION

You will receive information from the appropriate NPC Dean regarding registering for your Fall 2023 and Spring 2024 classes.

STUDENT COMPLAINTS

UAM requires that you first make every effort to informally resolve a complaint or concern before proceeding with the formal complaint process.

- Informal – Undergraduate students who wish to seek further review of an academic action by the University or a University employee (in an official capacity) that the student contends was in violation of written academic policies, or constitutes unfair or unequal application of such policies, should first seek to resolve such concerns through informal discussions. In particular, grievances regarding academic matters should generally begin with informal discussions with the student’s instructor or with the faculty member supervising a course. If such informal discussions do not reach a satisfactory resolution, then the student may pursue a grievance following the steps in this policy.
- Formal – If the efforts to resolve the concern informally are not successful, a written grievance shall be submitted to the academic unit chair, director, academic dean or assistant vice chancellor (for a technical campus) within 30 days of the incident or problem. If the concern relates to the chair, then the written grievance may be submitted to the dean who may appoint an alternate official to consider the grievance. If the concern relates to the dean or the assistant vice chancellor, then the written grievance may be submitted to the relevant vice chancellor.

STUDENT CONDUCT

Core Values of Student Conduct at The University of Arkansas at Monticello:

- Integrity: UAM students exemplify honesty, honor and a respect for the truth in all of their dealings.
- Community: UAM students build and enhance their community.
- Social Justice: UAM students are just and equitable in their treatment of all members of the community and act to discourage and/or intervene to prevent unjust and inequitable behaviors.
- Respect: UAM students show positive regard for each other, for property and for the community. Responsibility: UAM students are given and accept a high level of responsibility to self, to others and to the community.

Regulations that cover in detail all matters of student conduct are found in the noted REFERENCE.

REFERENCE: *CODE OF CONDUCT, UAM STUDENT HANDBOOK, PAGES 35 – 54*

STUDENT INFORMATION SHARING AGREEMENT

To allow for the sharing of relevant Partnership student data (e.g., enrollment, course completion, degree completion, academic transcript) and for the sharing of data between institutions for the purposes of identification, reverse transfer, tracking, etc., you will be asked to sign a FERPA/privacy release statement contained in the Student Information Sharing Agreement (SISA) form. The form will be given to you by the appropriate NPC Dean at the appropriate time.

TUTORING

Dual and standard students are eligible for free tutoring in the NPC Academic Success Center.

WITHDRAWING

To withdraw from UAM, you can submit the "[Withdrawal Form](#)" under the "Important Forms" section of the UAM Registrar's Office webpage.

FINANCIAL

SCHOLARSHIPS

- Institutional scholarships are awarded by UAM for dual and standard students. For dual students, the UAM scholarship will be prorated to pay only for UAM hours. Institutional scholarship awards are considered once a student has completed an application for admission to UAM.
 - **Eligibility Requirements:** Students enrolled in a bachelor's program at NPC with 55 hours completed at NPC with a minimum of a 2.5 cumulative GPA.
 - **Renewal Criteria:** Complete at least 15 hours each semester with a minimum of a 2.5 cumulative GPA at UAM for a maximum of four academic terms of continuous enrollment or the completion of a bachelor's degree if completed in less than 4 semesters.
- UAM scholarships require 15 hours per semester; NPC + UAM hours will be counted for dual students.
- Dual enrolled students will be able to apply for any NPC scholarships for which they meet the eligibility requirements.

FINANCIAL AID

You will apply for UAM admissions when you are ready to take your first UAM upper-level course.

- You will officially be a UAM student at the point of admittance. Consequently, UAM will award financial aid for both dual and standard enrolled students.
- If you are applying for financial aid, you should add UAM (001085) to your FAFSA.
- If you are a dual enrolled student, you must complete and submit the NPC-UAM Consortium Agreement to the NPC Financial Aid office. The Agreement will be given to you by the appropriate NPC Dean at the appropriate time.

STUDENT ACCOUNTS

Dual and standard enrolled students will receive one bill from UAM that will include UAM tuition and fees, as well as the following NPC charges. You will pay online via UAM's Campus Connect.

- Tuition and fees (for dual students only)
- Books (for dual students only)
- NPC housing (*optional* for dual and standard)
- NPC meal plan charges (for dual and standard) students

TEXTBOOKS

Dual and standard students will purchase textbooks for UAM courses through UAM's [online bookstore](#).

Dual students will purchase textbooks for NPC courses at the NPC Bookstore. Dual student charges to NPC Bookstore must be approved, at the time of purchase, through UAM and NPC Student Accounts.

NPC HOUSING

Dual and standard enrolled students may apply for NPC housing. Applications are accepted on a first come/first serve basis; there are no application deadlines for non-athletes. If you would like to apply for housing, contact information is shown in Housing on page 14.

NPC MEAL PLAN

The NPC meal plan cost is based on your number of campus hours and/or housing.

- Standard students will not be charged for UAM's meal plan.
- Standard and dual students will be charged for NPC meal plan.
- Your NPC ID is required for your NPC meal plan, which will be uploaded and available for use by the end of the first week of the semester.

STUDENT LIFE

EMAIL SERVICES

Because you will be required to access email from *NPC and UAM*, dual and standard students will have both an NPC and UAM email account. Standard students are required to have NPC email accounts to take advantage of services including, but not limited to, library notifications, RAVE emergency alert, printing credits, Zoom, etc.

LIBRARY SERVICES – STANDARD ENROLLMENT

Library privileges and policies for UAM standard students who are enrolled in classes at the NPC campus include:

- Using the NPC library computers, services, and check out *materials*.
- Limiting check-outs to five NPC books for 28 days and charging .10 per day for late fees.
- Charging for lost NPC books.
- Accessing UAM library databases only through the relevant student login. NPC database usage is restricted to NPC students.
- Receiving print books from UAM by Inter-library loan, upon request.

LIBRARY SERVICES – DUAL ENROLLMENT

Library privileges and policies for UAM dual students who are enrolled in both NPC and UAM classes at the NPC campus include:

- Using the NPC library computers, services, and check out materials.
- Limiting check-outs to five NPC books for 28 days and charging .10 per day for late fees.
- Charging for lost NPC books.
- Accessing NPC and UAM library databases using the relevant student logins.
- Receiving print books from UAM by Inter-library loan, upon request.

MICROSOFT 365 SERVICES

Dual and standard students will have access to a Microsoft 365 account while enrolled and during the one-year grace period after their final class. This license is called the “Microsoft 365 A3 for Students Use Benefit.” The license includes Microsoft Word, Excel, PowerPoint, Outlook, OneNote, Publisher (PC download only), and Access (PC download only).

PRINTING SERVICES

Dual and standard students have a \$50 per semester NPC Paper Cut printing account. The account does not carry over from one semester to another, and additional print money can be purchased in the NPC Library.

RAVE EMERGENCY ALERT SERVICES

Dual and standard students are automatically enrolled in the NPC RAVE Emergency Alert Service. When a UAM student logs into the NPC RAVE system (using your NPC account), you can configure your account to notify multiple email accounts if you wish (along with cell phones).

Unlike the other services, the RAVE service will be disabled once you are no longer enrolled in courses. There will not be a one-year grace period.

STUDENT IDS

Because an NPC ID is required to access the residence hall plus other campus services, dual and standard students will have both an NPC and UAM ID.

STUDENT ORGANIZATIONS & CLUB SPORTS

The current list of NPC student organizations and club sports that you may participate in are shown on page 18. Updates will be provided as information is received.

USER ACCOUNTS

Dual and standard students will have user accounts created in PeopleSoft and Active Directory on the NPC network. Your accounts will be kept active until one year after you complete your last enrolled course. During this window, your user account gives you access to the services such as campus computer access, Microsoft 365 (includes Email), OASIS, RAVE emergency alerts, library services, Zoom, and printing credits. Once it has been a year after your last enrolled course is completed, you will receive an email about your upcoming account closure.
