

**NURSING ASSISTANT
Certificate of Proficiency**

Program Description

The Nursing Assistant (NA) program focuses on providing knowledge and skills specific to nursing assistant duties. Students will be provided with classroom, applied lab and clinical training in long-term health care facilities. Students who successfully complete the NA program are eligible to take the skills and written examination that leads to Arkansas State Certification. Those students who successfully become certified are placed on the State Registry as a Certified Nurse Assistant (CNA).

The Nursing Assistant Certificate of Proficiency can be obtained in one (1) semester.
