

PRACTICAL NURSING

Program Description

The Practical Nursing (PN) program is designed to prepare qualified individuals to meet community nursing needs and perform those functions which are generally recognized as being within the scope of practical nursing and where the skill of registered nursing is not required. The practical nursing student is prepared for giving direct and primary nursing care under the immediate supervision of the instructor/clinical instructor, physicians and staff nurses of the cooperating clinical facilities. Students are enrolled into the program once a year beginning with the fall semester.

The UAM-CTC PN Program is approved by the Arkansas State Board of Nursing (ASBN) with regular evaluations to ensure a quality education in the nursing field. The curriculum of the program is standardized to meet the approval of the ASBN, and the program evaluation and annual pass rate of graduates on the licensure exam must be within ASBN's established standards for the program to receive continued approval.

The Arkansas State Board of Nursing (ASBN) has the authority to deny licensure to any person who has been convicted of a crime. Conviction of a crime may prevent a student from taking clinical courses, the National Council Licensure Examination for Practical Nurses (NCLEX-PN) or becoming licensed to practice as an LPN. Successful completion of this program does not assure ASBN's approval to take the NCLEX-PN per ACA 17-87-312. If you have any questions or have been convicted of a crime of any type, go to the website provided below for more information. You must make an appointment with the Chairperson of the Practical Nursing program to discuss convictions. Any violations or convictions during nursing school may result in dismissal from the program.

Dear Licensure Applicant,

Thank you for submitting your Arkansas State Board of Nursing (ASBN) Application for Licensure. The information contained in this material is for you to use if you have ever been convicted of a misdemeanor or felony, pled guilty or nolo contendere to any charge in any state or jurisdiction. This material is designed to provide you with information and identify documentation that you must submit to ASBN as part of your application process.

The ASBN requires all applicants for nursing licensure to answer specific eligibility questions as identified on the application. In addition, all applicants must submit their fingerprints for a state and federal criminal background check.

In the event that you have responded "yes" to respective screening question(s) and/ or have a positive result on either of the criminal background check(s), you are required to submit documentation to the ASBN. If you answer "yes" to respective eligibility question(s) and/ or have a positive result on either of the criminal background check(s) and do not provide the required documents, your application will not be considered by the ASBN until you provide the required documents.

You are required to report all misdemeanor and felony convictions that occurred in Arkansas or any other state or jurisdiction, regardless of when they occurred, even if adjudication is withheld. DWI/DUIs and similar offenses must be reported. An offense(s) must be reported even if a suspended imposition of sentence occurred, or is a juvenile, sealed or expunged offense.

Applications are reviewed and investigative cases are opened in the order that they are received. Please read the information carefully and provide all required documentation. Additional documentation may be required on a case-by-case basis. Failure to submit a complete application, correct application fee(s), and required documents will delay review of your licensure application. An investigative case will not be complete for final review and action until you have provided all required documentation.

The ASBN is unable to provide a specific timeframe regarding processing of your application. Review is on a case-by-case basis and may take longer depending on the nature of your offense(s), the rate at which you submit required documentation and the volume of applications received by ASBN.

A formal Board hearing may be required depending on the nature of your offense(s); identified in the ASBN *Nurse Practice Act* in Arkansas Code, Act 1208 of 1999 Legislative Session- ACA 17-87-312. Specific offenses are ACA 17-3-102.

Sincerely,

Arkansas State Board of Nursing Staff

Q: I want to attend nursing school; can I find out before I enroll if I will be able to take the licensure examination?

No. ASBN statutory authority in ACA § 17-3-102 is for licensees or "applicants" for licensure. Potential students should review the specific statute number of your offense(s) as compared to the offenses listed ACA § 17-3-102. Despite completion of a nursing program, there is no guarantee that a waiver will be granted to an individual with any of offense(s) listed in the above statute.

- Q: What if I have plead guilty, nolo contendere, or been found guilty of a crime that is listed in the ASBN Nurse Practice Act?**
- A. If your offense is listed, you may not be eligible to take the National Council Licensure Examination-Practical Nurse (NCLEX-PN®), National Council Licensure Examination-Registered Nurse (NCLEX-RN®) or hold licensure in Arkansas. ACA § 17-3-102 provides the applicant an opportunity to request a waiver of eligibility criteria related to a criminal background in certain circumstances depending on the offense(s).
- Q: I have offenses in my past that have been sealed or expunged. Do I have to report these to the ASBN or provide documentation?**
- A. Yes. Even if a record is sealed or expunged, the offenses must be disclosed to ASBN. When an individual has an offense that is sealed or expunged, a judge will issue an order to expunge or order to seal the record. If you believe that an offense has been expunged or sealed, you should confirm this with your lawyer or the court. You should have the court submit the order to seal or expungement documentation to ASBN for review. You shall mark “yes” on the examination application screening question regarding a prior conviction and provide court documentation regarding the order, judgment and restitution of the offense(s).
- Q: I have an offense(s) in my past that has been dismissed, dropped or nolle prossed. Do I have to provide documentation?**
- A. Even if your offense(s) have been dismissed, dropped or nolle prossed, without any court ordered stipulations, it may show up on the criminal background check report and in that event you will be required to provide documentation reflecting the action. You will be required to provide documentation even if adjudication is withheld or if a suspended imposition of sentence occurred.
- Q: I have offenses in my past that occurred so long ago that I cannot obtain documentation, or it is difficult to obtain the documentation, what do I need to do?**
- A. Documentation must be submitted to ASBN, and an attempt must be made to provide required documentation. Obtaining the required documents may be challenging. However, it is your responsibility to request and provide the documentation required for review of your case. If the court states that documentation is unavailable (has been destroyed, purged, etc.), request that the court submit a statement to ASBN indicating the respective search dates and the reason documentation is unavailable.
- Q: I have offenses that occurred in another state, do I need to report these?**
- A. Yes. All offenses, regardless of the state or jurisdiction must be reported and respective documentation provided to ASBN.
- Q: I have applied for licensure and have an ongoing charge / offense / case / probation. Will this affect my application?**
- A. Yes. You must complete all court ordered obligations before your case will be reviewed.
- Q: I have had a criminal background check report conducted before; can this be used instead of doing a new one for ASBN?**
- A. No. A criminal background check conducted for another agency is not acceptable. Each first-time applicant for a license issued by ASBN shall apply to the Identification Bureau of the Department of Arkansas State Police for a state and national criminal background check, to be conducted by the Federal Bureau of Investigation. Upon completion of the criminal background check, the Identification Bureau of the department of Arkansas State Police will forward your results to the ASBN.

- A. Yes. You must submit a personal, letter of explanation to the ASBN. The self-explanatory letter should identify the timeline of offense(s) and describe each offense in your own words. You should discuss specific information in the letter including but not limited to the circumstances related to the offense(s), behavior(s) that led to offense(s), and your conduct since. If applicable, you should discuss any rehabilitative efforts since the offense(s). The letter needs to be legible and may be handwritten or typed. Please sign and date the letter and submit it as identified herein.
- Q: Should I mark yes to "Have you ever been convicted of a misdemeanor or felony, pled guilty or nolo contendere to any charge in any state or jurisdiction?" if I was arrested, but charges were dropped or nolle prossed without any stipulations?**

Even if a record is sealed or expunged, the offenses must be disclosed to ASBN. When an individual has an offense that is sealed or expunged, a judge will issue an order to expunge or seal the record. If you believe that an offense has been expunged or sealed, you should confirm this with your lawyer or the court.
- Q: I am a new graduate and I want to go to work as soon as possible, can I have a temporary permit while my case is under review?**
- A. No. A temporary permit will not be issued until completion of the investigation and your eligibility has been determined.

- Q: I am currently enrolled in a nursing program. I was recently arrested, and my charges will be dropped after I complete probation. Should I submit court documents now or wait until after I complete probation?**
- A. You should have closure with the court prior to your case being reviewed. Whether you apply now or after the charges are dismissed, you must still report the issue and it will be part of the investigative review. However, you will not receive a temporary permit or be approved to take the exam until after you are off probation and have met all court stipulations. Q: I have received a denial letter from the ASBN that states I may request a waiver, what do I need to do now?

A. If you have received a denial letter from the ASBN based on offense(s) that are identified as a bar to licensure, it will identify the offense(s) that are considered a bar for licensure in Arkansas. Information in the letter will identify what additional documentation you will be required to submit. The waiver request must be received by the Board within thirty (30) days from the date of the letter; specific instructions for submission are contained within the letter.

Q: I have submitted a waiver request as identified in the denial letter that was sent to me from the ASBN. How many references / recommendations do I need to submit?

A. There are no specific requirements on the number of references / recommendations that you need to have submitted to the ASBN. You will want to obtain a number that will provide a wide range of information related to your behavior/ character etc. Please have the individual sign the reference/ recommendation and include their full contact information.

Q: I have received a denial letter from the ASBN that states my application has been denied but I do not have any offenses that are identified as a bar to licensure, why would this occur?

A. An ASBN application for licensure may be denied for reasons other than a bar to licensure. The specific reason for a denial will be delineated in a letter you will receive from the ASBN.
