

Southeast Arkansas Regional Science Fair March 7, 2024

Format, Eligibility, and Application Process

The Southeast Arkansas Regional Science and Engineering Fair (SEARSF) will be held on Thursday, March 7, 2024.

1. Format

The 2024 Southeast Arkansas Regional Science Fair will be held at the University of Arkansas at Monticello (UAM) campus. Participants' paperwork and other related research materials such as videos, pictures, etc. will be uploaded to the UAM Blackboard system. Category Judges will review students' submissions and winners will be announced on the day of the fair. The overall fair winner will be sponsored to participate in the virtual 2024 International Science and Engineering Fair in Los Angeles.

2. Eligibility

All high school juniors and seniors within the [territories](#) of the SEARSF are eligible to participate.

3. Application Process

To enter the competitions, you must submit the following materials:

- a. A complete folder of your paperwork which includes the research papers (all typed) together with all the [required forms](#) relevant to the research contents. Every form must properly be filled out with all required dates and signatures. **Mail all these materials by the United States Postal Service before or on February 26, 2024, to Dr. Ross Burrows P.O. Box 3480 Monticello, AR 71656.**
- b. 6 clear and readable colored pictures of various parts of your poster. One of these pictures must show the overall look of your poster. **Send these pictures by email to the address: burrows@uamont.edu by no later than February 28, 2024. Include your full name and school.**
