Student learning outcomes for UAMCT PN Program:

Upon successful completion of the Practical Nursing program at UAM College of Technologies the student should have the ability to:

- Pass the NCLEX-PN on the first writing.
- Obtain a practical nurse license in the state in which they reside.
- Enter the workforce with the competencies of an entry level practical nurse.
- Assume legal and ethical responsibilities and accountability in the practice of practical nursing as defined by the Arkansas Nurse Practice Act.
- Safely and efficiently perform skills and procedures within the scope of LPN practice.
- Provide appropriate, holistic, nursing care; utilizing the nursing process to individuals of diverse cultures, developmental stages, ages, genders, races across the lifespan in various practice settings.
- Use effective communication skills in interactions with patients, families, and other members of the health care team.
- Function effectively as a member of the health care team.
- Assume responsibility for continuing personal and professional growth.

To be eligible for a Technical Certificate from the University of Arkansas at Monticello College of Technology-McGehee, a student should complete a Program of Study approved by his/her advisor upon entering the University. The Program of Study indicates the minimum semester hours of unduplicated credit at the technical certificate level and is for informational purposes only; it is the responsibility of the student to meet all requirements to be eligible for a technical certificate. The University reserves the right to substitute courses. Some courses require pre-requisite and/or co-requisite classes. Some courses may be offered only during specific semesters. This Program of Study requires Related Instruction to be completed during any semester/term of enrollment. Contact your advisor or Assistant Vice Chancellor for specific information.

Students who score below the required minimal level on the entrance exam may be required to take additional credit hours as part of this University's developmental education program. See current academic catalog for more information.

The technical certificate may serve as a terminal credential or as an intermediate credential for students who wish to pursue an associate or baccalaureate degree program.

For more information about this certificate, contact your program advisor by calling 870-222-5360. Students may also visit <https://www.uamont.edu/academics/mcgehee/degrees.html>

Specific Graduation Requirements

In addition to completing all coursework, the University of Arkansas at Monticello College of Technology-McGehee, requires all students who are eligible for this technical certificate to meet the following criteria:

1. Degree Audit
2. At least 2.00 cumulative GPA

My signature below indicates that I (student) agree that it is my responsibility to meet all UAM requirements to be eligible for a technical certificate. This document serves only as a guide to help me fulfill specific program requirements. This University reserves the right to substitute other courses.
