Human Services Minor: 18 hours

- PSY 4643 Applied Human Service Skills
- PSY 465V Practicum (6 hours)

9 hours of electives in Sociology or Social Work

(NOTE: The Human Services minor is designed primarily for Psychology majors to: (1) Prepare for human services careers across a wide range of setting, and (2) provide a theoretical foundation and specific applied skills needed for Bachelor's level employment in the field. Students who choose to pursue the Human Services minor, particularly those with majors other than Psychology, may need to take additional Psychology courses to satisfy the prerequisites of required courses. Consult your academic advisor for further information).
